OBJECTIVE

With a strong work ethic and a passion for collaboration, I excel at working in team environments and am equally comfortable stepping up as a leader when needed. I bring a positive attitude and a willingness to learn and adapt to every project I work on, and am committed to delivering high-quality results.

EDUCATION

Degree/Certificate	Institute/Board	CGPA	Year
B.Tech.	VelTech University, Chennai	8.62	2021-Present
Intermediate	Akshara Junior College, TSBIE	9.62	2019-2021
SSC	Chanakya High School, BSE Telangana	9.70	2018-2019

PROJECTS

- Banking System** July. 2024 - Aug. 2024
Java Web Application simulating functionalities of a Bank Github
 - "Banking System," is a dynamic web application deployed on a Tomcat server, designed to handle user requests and deliver real-time responses efficiently.
 - As the Lead Developer, I oversaw the development process, coordinated the team, and ensured the successful implementation of dynamic functionalities in the project.
 - Technologies used : Eclipse IDE, Java, JSP, Servlet, Tomcat server, MySQL, HTML/CSS.
- Login Page For Students** Dec. 2023 - Jan. 2024
Login portal for students of our University with good HTML structure Github
 - Each student have their own ID and password, can login into the page
 - Self-Initiated project, I performed as the Lead Developer and fulfilled all implementation part.
 - Technologies used: HTML, CSS
- System for detecting Fruit Spoilage using IoT** Dec. 2023 - Jan. 2024
Uses IoT technologies and sensors to detect spoilage. Github
 - Every spoiled fruit releases methane gas from them, our MQ4 sensor detects and alerts the user.
 - As Team Leader, I have took initiative to design development process, coordinated the team, and I have ensured the project progress.
 - Components used: MQ4 sensor, Arduino nano, wifi-module, Buzzer

SKILLS

- Programming:** Java(Intermediate) , Python(Basic)
- Developer Tools:** VScode, Eclipse, Github, Google Collab
- Databases:** Relational Database(my Sql)
- Relevant Coursework:** Data Structures & Algorithms, Object oriented programming using Java, Software Engineering, Database Management Systems.
- Cloud:** AWS, Azure

CERTIFICATIONS

- Web Development:** Certificate of completion "Full Stack Developer Bootcamp" from GeekForGeeks [Certificate](#)
- Cloud:** Certificate of completion AWS Academy Cloud Architecting [Certificate](#)
- Testing:** Certificate of completion Software Testing [Certificate](#)

PROFESSIONAL SKILLS

- Communication**
- Adaptability**
- Team Work**
